PROFESSIONAL PROFILE

Aspiring Full-Stack Web Developer with hands-on experience creating responsive websites and database-driven applications. Skilled in HTML, CSS, JavaScript, Bootstrap, Node.js, Express.js, PHP, and MySQL. Currently expanding knowledge in networking and cybersecurity, with a focus on building useful, user-friendly digital experiences and continuing to grow in the IT sector. I have completed a Personal and Professional Development course, which has provided me with the necessary skills such as communication skills, emotional development, and leadership skills needed for the working environment.

CORE TECHNICAL SKILLS

Front-end: HTML5, CSS3, JavaScript (ES6+), Bootstrap, responsive design, DOM/events, CSS animations, UI/UX; **Back-end:** Node.js, Express.js, PHP, REST APIs, JSON, middleware, authentication, CRUD operations;

Databases: MySQL, SQL, database design

Tools: Git, GitHub, VS Code, Figma, MySQL Workbench, Wasma.io, WordPress
