Imaan ABRAHAMS

SOFTWARE DEVELOPER

WORK EXPERIENCE

YOUTH CODE, WEB DEVELOPER

LIFE CHOICES ACADEMY

April 2026 - Present

Full-Stack Technical Upskilling:

- Coding covering HTML5, CSS3, JavaScript, Python, and relational databases, mastering core software programming foundations.

Work-Integrated Learning (LC Studio):

- Transitioned from a professional internship, applying technical knowledge to building simulated and client-facing E-commerce and enterprise applications.

Version Control & Agile Methodologies:

- Utilized Git and GitHub for codebase management and version control, collaborating within agile sprint structures to review and deploy functional software components.

Personal & Professional Development:

- Engaged in comprehensive professional work-readiness, design thinking, and communication training, building workplace resilience alongside technical execution.

Analytical Troubleshooting & Quality Metrics:

- Developed a digital portfolio of functional web applications by identifying and debugging code errors, maintaining a high level of operational precision.

WAITRESS

Beantree Cafe

March 2022 - June 2022

Enhanced Customer Satisfaction:

- Delivered exceptional service to customers, resulting in a 15% increase in positive customer feedback and satisfaction ratings

Efficient Order Processing:

- Optimized order processing procedures, reducing wait times by 20% and improving overall dining experience for guests

Promoted Upselling Opportunities:

- Proactively upsold menu items and promoted specials, contributing to a 10% increase in average check size and revenue

Team Collaboration:

- Collaborated with colleagues to streamline communication and teamwork, resulting in a 25% improvement in overall team efficiency

Maintained Cleanliness Standards:

- Ensured cleanliness and hygiene standards were consistently met, earning praise from management and customers alike.

- Marketing
- Hospitality
- Volunteer Coordination
- Problem-Solving
- Collaboration
- Adaptability
- Time Management
- Volunteer Coordination

LEADERSHIP & COMMUNITY HIGHLIGHTS

- Western Province Touch Rugby Captain (2019): Led the provincial squad, coordinated match strategies with coaches, and acted as the primary spokesperson for sponsors and media.
- Maitland Orthopedic Children's Hospital Volunteer: Provided patient companionship, emotional support to families, and assisted with inventory logging and transport.
- St George's Home for Girls Volunteer: Facilitated academic tutoring, mentored residents, and conducted essential life skills and budgeting workshops.
- Provincial & School Awards (2019): Received the Player of the Tournament award, obtained Provincial Colors, and earned dual Sports & Extra-Mural Silver Honors from Norman Henshilwood High School.

MARKETING & SALES REPRESENTATIVE

Progression Group S.A.

January 2022 - August 2022

- Strategic Marketing: Generated consistent revenue growth by planning and executing targeted promotional campaigns.
- Business Development: Accelerated client acquisition by leveraging strong relationship-building and communication skills.
- Team Leadership: Formulated training frameworks that successfully supported and upskilled team members to meet performance goals.
- Client Experience: Established streamlined, fast-paced inquiry protocols to ensure top-tier customer satisfaction and loyalty.
